

Wilson's Downfall

12 April 2015

Multiple Sites

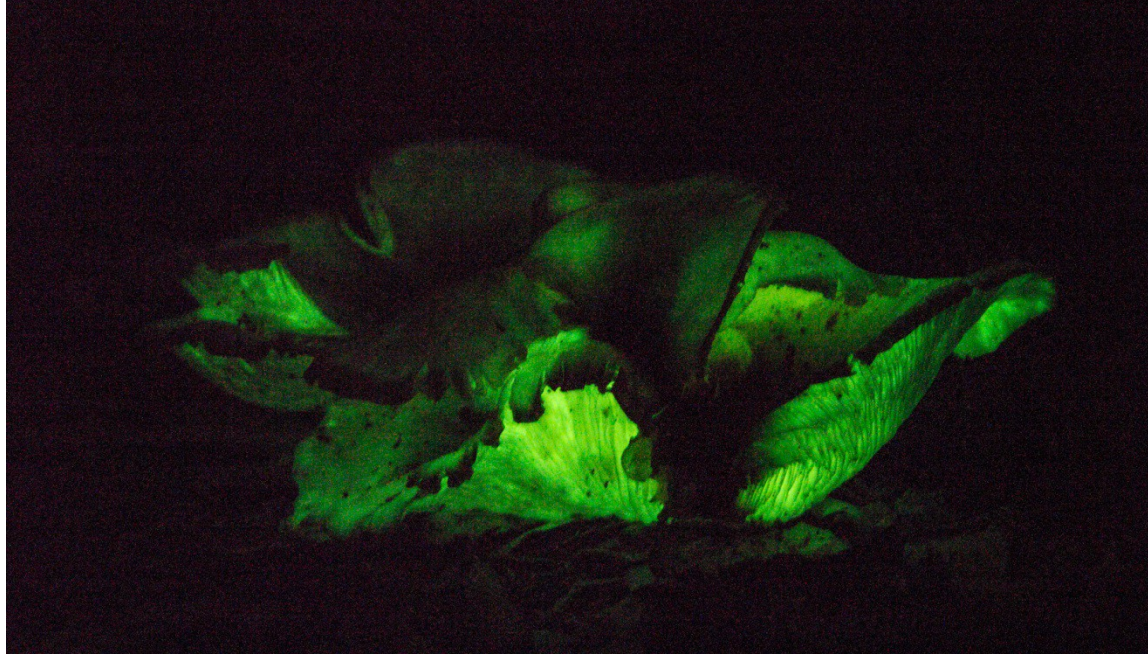

Bolete

Cyathus olla

Omphalotus nidiformis

Stropharia rugosoannulata

Lepista

Podocytha petaloides

Fomitopsis feei & lilacino-gilva

Fomitopsis feei & lilacino-gilva

59 very diverse collections

Other species of note: the carpet of *Macrolepiota dolichaula*, huge *Amanita ochrophylla*, pretty *A. xanthocephala*, *Hymenopellis gigaspora*, *H. trichospora*

At least 4 locations

1. Native forest
2. Farm with remnant forest
3. Along farm road
4. Cleared house block and adjacent bush

2 cars, 8 people

Stayed with very hospitable
Peter & Ronda Warhurst
(and enjoyed Ronda's
wonderful cooking)
