

## DIRECTIONS FOR COOLOOLA N.P. FORAY

The quickest route from Brisbane is to follow the **Bruce Highway** to the Cooroy turnoff.

Take the **Cooroy-Noosa Rd (Jack Hassett Drive)** to Tewantin.

In **Tewantin**, the road becomes Butler Street, then turn left onto the **Tewantin-Boreen Point Rd (McKinnon Drive)**.

Follow that road 3- 4km to the **Lake Cooroibah Rd** on the right.

Turn right.

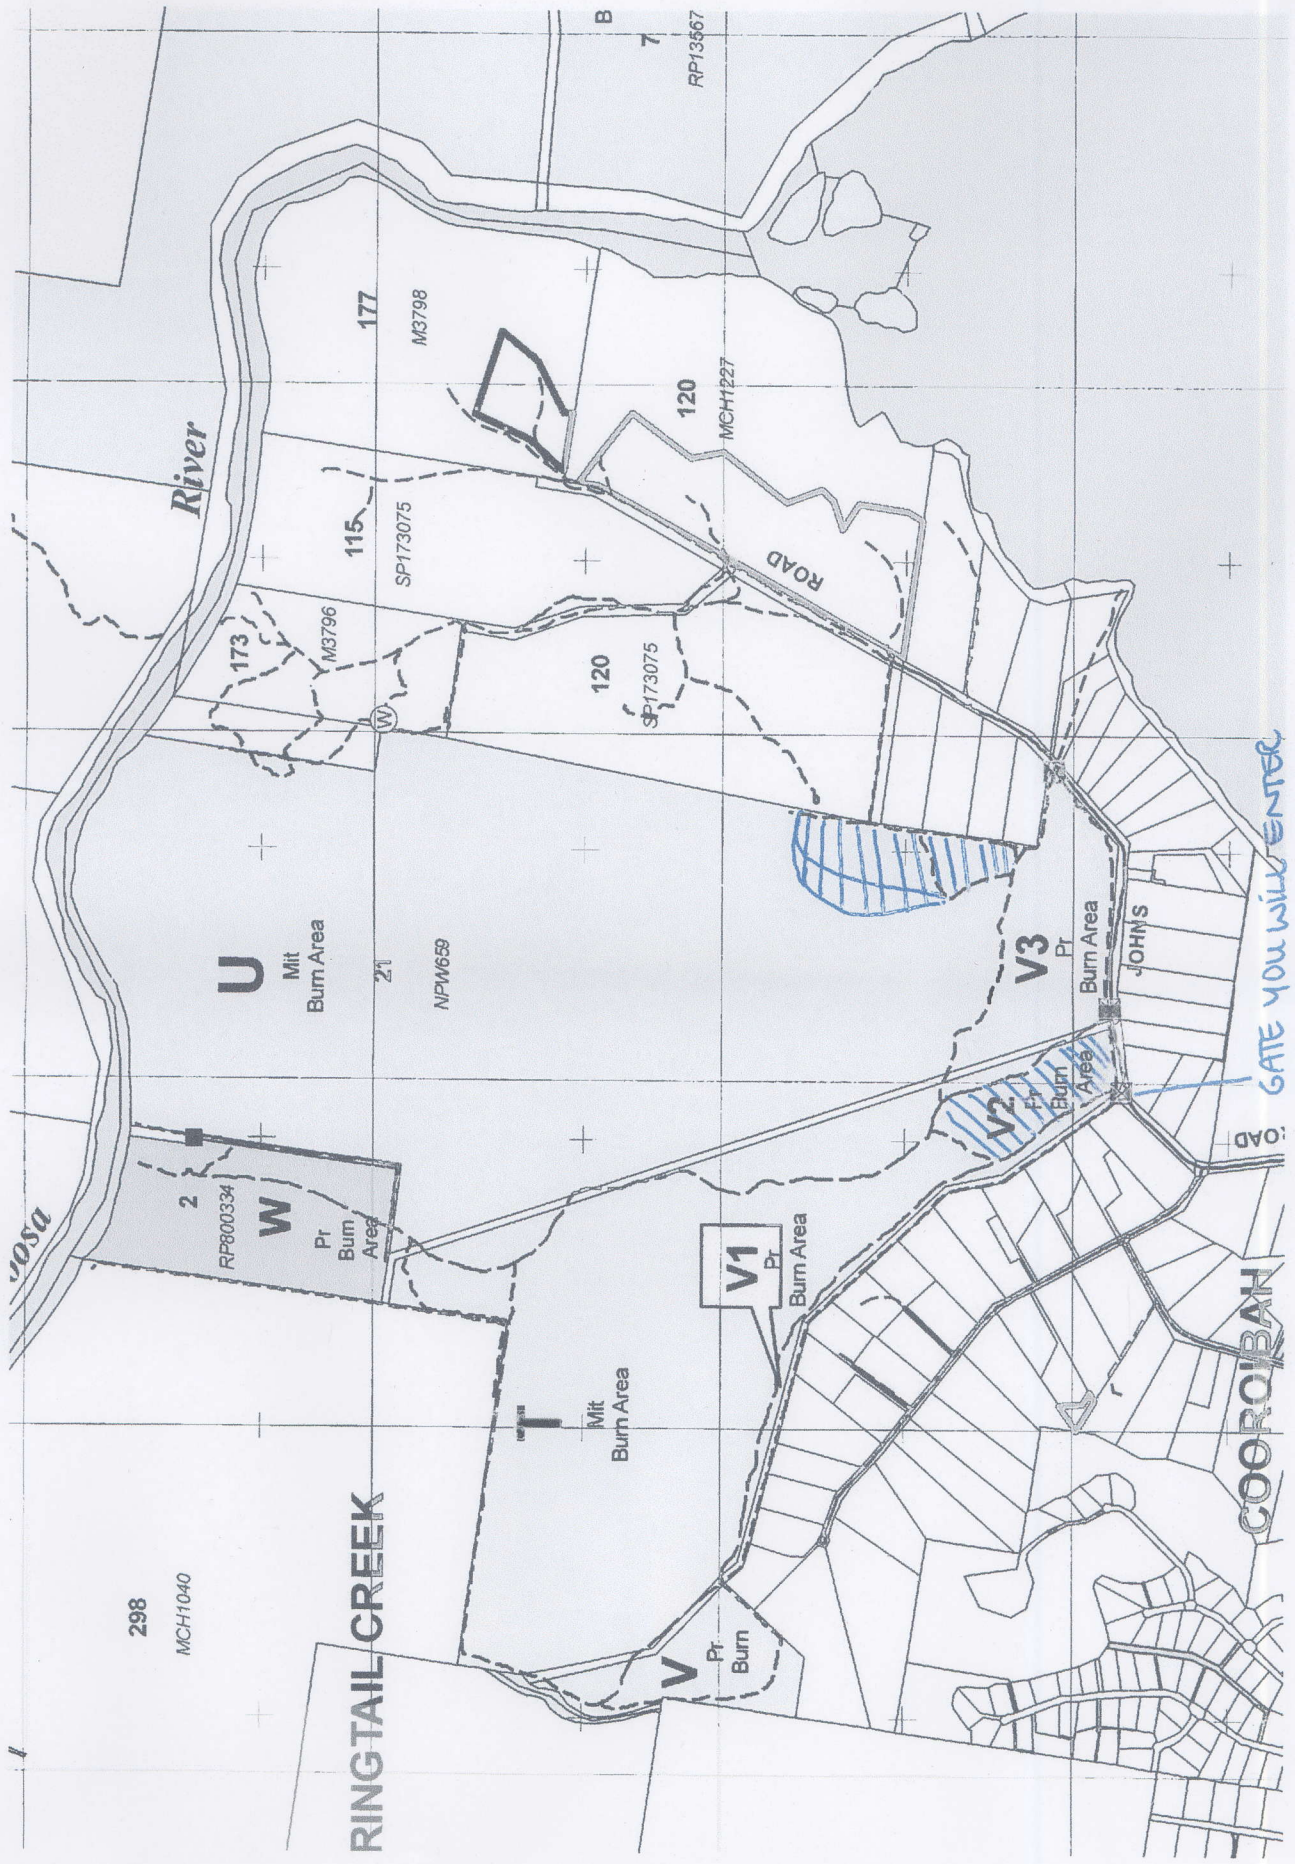

Travel along that road, passing 3 streets on the left, the last one being **Amaroo Place**. (approx. 2km along Lake Cooroibah Rd)

**Just after that you reach the National Park on the left.** There is a locked gate there. I will have the key and we will just drive into the park a few metres, as there is little off-road parking outside the gate.

(If you reach the dirt on Lake Cooroibah Rd, or Johns Rd as it becomes, you've gone too far!! Turn back 100m or so.)

There are **public toilets** at a small park near the Goodwin St corner in Tewantin. (There are no facilities at the foray site.)

We should get under way by 9.30 at the latest.
